This matter comes before the Public Service Commission of South Carolina (the Commission) for consideration of two documents filed in this complaint matter concerning Delta Phones, Inc. (Delta Phones) against BellSouth Telecommunications, Inc. (BellSouth). BellSouth has answered the Delta Phones complaint and has also filed a Petition for Expedited Relief and a Counterclaim. Further, BellSouth has filed a Motion for Bonds and/or Letters of Credit.

Examination of the Motion for Bonds and/or Letters of Credit has raised various questions in the minds of the Commissioners that have not been answered by review of the Motion. Accordingly, we hold that oral argument shall be scheduled on this Motion, so that the parties can more fully present their positions on the matter, and answer any questions that the members of this Commission may have. The oral argument shall be

scheduled by Staff for whatever date and time that is reasonably available on the Commission's hearing calendar.

The BellSouth Petition for Expedited Relief and Counterclaim shall be held in abeyance at this time.

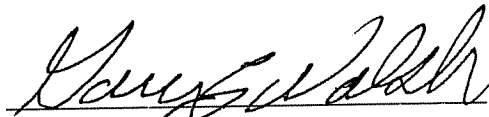

This Order shall remain in full force and effect until further Order of the Commission.
